

**APPLICATION FOR AMERICAN CANCER SOCIETY
INSTITUTIONAL RESEARCH GRANT FUNDING #IRG-74-001-34**

(Deadline: : YVfi Ufm15, 2018, by 5:00 pm)

Submit electronically to Lynn Frazier by e-mail (Lfrazier@azcc.arizona.edu)

**Project
Title** _____

BIOGRAPHICAL INFORMATION

A current NIH formatted Biographical Sketch, including Research Support, MUST be attached to this application. The NIH template, instructions and sample forms can be found at this web site: [ACS-IRG](#).

Principal Investigator: *First Name, Last name, Degree(s)* _____

Academic Title	Department	Dept. #
Campus Address/PO Box	Phone	E-mail

Citizenship Status (Check one): **U.S. citizen or noncitizen national** **Permanent resident of U.S.**
Applicants for ACS grants and awards must at the time of application be US citizens, noncitizen nationals, or permanent residents of the US. Permanent residents must submit with the application notarized evidence indicating that they have a Resident Alien Card or "Green Card" (I-551) or have been approved for the issuance of such card as evidenced by an official passport stamp of the US Immigration Service or a form I-797 Notice of Action which indicates that the application for permanent residence has been approved. Noncitizen nationals are persons who, although not US citizens, owe permanent allegiance to the US. They are generally persons born in outlying US possessions (e.g. American Samoa and Swains Island).

Year last degree conferred: _____ **Year of first independent position:** _____

Verification of Applicant Eligibility by Department Chair *(Applicants must be within six years of their first independent research or faculty appointment, must be salaried faculty with appropriate committed research facilities, and may not have competitive national funding active at the start date of the proposed IRG allocation.)*

Name of Department Chair _____

Signature _____ **Date:** _____

Have you been awarded ACS Institutional Cancer Research funding in the past? No Yes Year _____

Does this project involve Human Subjects? No Yes Animal Subjects? No Yes

Have you been the Principal Investigator on an NIH, NCI or ACS grant in the past? No Yes

For more information, you may contact: Joyce A. Schroeder, PhD, at jschroeder@azcc.arizona.edu

ABSTRACT: Provide a brief (300-500 words) summary of the research, including Background, Objective/ Hypothesis, Specific Aim(s), Study Design, and Cancer Relevance. (The abstract can be prepared in a MS Word document to be able to count the number of words, and then cut and pasted into this section of the application.)

Amount requested: \$ _____ Proposed Funding Period: From _____ To _____
(No indirect costs required)

Applicant Signature

Date

First Name, Last name, Degree(s) _____

Key Personnel & Collaborators (Include the names of individuals with whom you collaborate or who you have worked closely with in the design of the proposed project.)

Name:	Role on Project:

PROPOSED 12-MONTH MODULAR BUDGET

The budget must be in increments of \$5,000, and requests may not exceed a total of \$30,000. (e.g. A budget totaling \$10,000 or \$15,000 is acceptable. A budget totaling \$14,395 is not acceptable.)

BUDGET JUSTIFICATION

A. Personnel (No salary allowed for Principal Investigator)

B. Permanent Equipment (Maximum allowance of less than \$2,000 on any single piece of equipment)

C. Supplies

D. Miscellaneous

First Name, Last name, Degree(s) _____

Project Title _____

DESCRIPTION OF RESEARCH PROPOSED (Use continuation pages as necessary):

(Sections 1 through 3 cannot exceed 5 pages.)

1. Specific Aims
2. Background Information
3. Experimental Design
4. References Cited
5. Cancer Relevance Information

**Application for an Individual Allocation from
American Cancer Society Institutional Research Grant
Cancer Relevance Information**

The Society's donors and volunteers are interested in tracking the expenditures of the Society's research dollars, and often additional money is available to support priority areas or research on specific types of cancer. Please check the appropriate boxes that apply to your application. You may choose more than one, but please indicate the percent effort on each; the total percent effort should add up to 100%.

Applicant _____

Title of Project _____

I. Priority Areas

Choose one or more areas:	% Effort
Prevention (included Nutrition/Tobacco Control)	
Detection	
Treatment	
Cause/Etiology	
Total:	100

Does your application deal with the Socio-economically Disadvantaged or other Special Populations?

 Yes No

Does your application deal with Psychosocial and Behavioral, Health Policy or Health Services Research?

 Yes No

II. Organ Sites

If applicable, choose one or more areas:	% Effort
Breast	
Prostate	
Lung	
Colon/rectum	
Leukemia	
Lymphoma	
Ovary	
Other (please name)	
Total: (should be 0 or 100)	

III. Lay audience summary

Describe briefly, in non-scientific language, how your project relates to cancer in general or specifically to one or more of the above categories
